**TITUSVILLE-COCOA AIRPORT AUTHORITY
LEASE AGREEMENT**

THIS LEASE AGREEMENT (“Lease”) is made to be effective as of the ____ day of _____, 2022 (the “**Effective Date**”), by and between the TITUSVILLE-COCOA AIRPORT AUTHORITY, as governing body of the Titusville-Cocoa Airport Authority, a special taxing district existing under the laws of the State of Florida, whose mailing address is 355 Golden Knights Boulevard, Titusville, Florida 32780 (“**Authority**”), and US AVIATION TRAINING SOLUTIONS, INC., a Florida corporation whose address is 365 Golden Knights Boulevard, Titusville, Florida 32780 (“**Lessee**”).

W I T N E S S E T H:

In consideration of the mutual covenants and agreements herein set forth, Authority and Lessee agree and covenant as follows:

**ARTICLE I
PREMISES AND PERMITTED USES**

1.1 Demise of Premises.

Subject to the terms and conditions set forth in this Lease, Lessor hereby leases unto Lessee, and Lessee hereby leases from Lessor a portion of commercial real property described as Suite 2 of the TCAA Administration Building and depicted in **Exhibit “A”** hereto (the “Premises”), located at the **Space Coast Regional Airport**. The “Premises” consists of approximately 1,685 square feet of office space, together with four (4) parking spaces in the TCAA Administration Building parking lot, and nothing herein provides Lessee with the right or ability to exclude Lessor or any other third party from those portions of the Administration Building not expressly included as part of the Premises hereunder. Lessee hereby leases the Premises subject to, and Lessee hereby agrees to comply with, (i) all applicable building codes, zoning regulations, and municipal, county, state and federal laws, ordinances and regulations governing or regulating the Premises or its uses, (ii) all covenants, easements and restrictions of record, (iii) “Rules, Regulations, and Minimum Standards Covering Airports Owned or Controlled by the Titusville-Cocoa Airport Authority,” as the same may be amended from time to time (“Minimum Standards”), and (iv) the Space Coast Regional Airport Master Plan, as the same may be amended from time to time (the “Master Plan”).

1.2 Condition of Premises:

Lessee accepts the Premises in “AS-IS” condition. Lessee acknowledges that Authority has made no representations or warranties relating to the suitability of the Premises for any particular use, and unless otherwise expressly provided in this Lease, Authority shall have no obligation whatsoever to repair, maintain, renovate or otherwise incur any cost or expense with respect to the Premises. Lessee shall not permit any unlawful nuisance, waste or injury on the Premises. Lessee agrees to surrender the Premises upon the expiration of this Lease, or earlier termination hereof, in a condition substantially similar to the condition of the Premises on the Commencement Date, ordinary wear and tear excepted.

1.3 Construction of Improvements by Authority.

Authority, at its own cost, agrees to construct those improvements described on **Exhibit “B”** hereto, unless said exhibit indicates that Authority shall construct no improvements on or in relation to the Premises in which case Authority shall not be responsible in any fashion for the construction of improvements of any kind on the Premises.

1.4 Construction of Improvements/Modifications by Lessee.

Lessee shall be permitted to construct and shall have sole responsibility for construction of the improvements and/or modifications within the Premises described in **Exhibit “C”** hereto, for which Lessee shall obtain all necessary governmental approvals including without limitation engineering approval from the City of Titusville. Any construction by Lessee on the Premises shall be in accordance with local building codes and shall also be governed by **Exhibit “D”** hereto, which is incorporated herein by reference. Any other improvements Lessee wishes to construct upon the Premises, apart from those specifically listed on **Exhibit “C”** hereto, shall be submitted to the Authority in writing for Authority’s approval, which shall be granted or denied by Authority in its sole discretion. Construction of all improvements shall be solely at the expense and cost of the Lessee, and Authority shall not be responsible for the same regardless of Authority providing its approval for construction of such improvements. For clarity and the avoidance of doubt, if there are no improvements listed on **Exhibit “C,”** then Lessee is not permitted to construct any improvements on or within the Premises without the prior written consent of Authority.

1.5 No Entitlement to Lien.

Nothing contained in this Lease shall authorize Lessee to do any act which may create or be the foundation for any lien, mortgage or other encumbrance upon the Premises or of any interest of Authority in the demised Premises or upon or in any building or improvement located thereon, it being agreed that should Lessee cause any alterations, changes, additions, improvements or repairs to be made to or on the Premises, or cause materials to be furnished or labor to be performed therein or thereon, neither Authority nor the Premises shall, under any circumstances, be liable for the payment of any expense incurred or for the value of any work or material furnished to the Premises or any part thereof. Lessee shall upon request of Authority deliver such documents as may be required by Authority in order to effectuate the lien protection required by this paragraph. All such alterations, changes, additions, improvements, repairs, materials and labor, other than those expressly set forth in this Lease to be the responsibility of Authority, shall be at Lessee's expense and Lessee shall be solely and wholly responsible to contractors, subcontractors, laborers and materialmen furnishing labor and material to the Premises, any building or structure thereon or any part thereof. If, because of any act or omission of Lessee, any mechanic’s or other lien or order for the payment of money shall be filed against the Premises or any building or improvement located thereon or against Authority (whether or not such lien or order is valid or enforceable as such), Lessee shall, at Lessee's own cost and expense, within fifteen (15) days after the date of filing thereof, cause the same to be canceled and discharged of record or furnish Authority with a surety bond issued by a surety company reasonably satisfactory to Authority, protecting Authority from any loss because of nonpayment of such lien claim and further shall indemnify and save harmless the Authority from and against

any and all costs, expenses, claims, losses or damages, including Attorneys' Fees (defined below), resulting thereupon or by reason thereof. This Lease expressly provides that the interest of the Authority in the Premises shall not be subject to liens for improvements of any kind made by Lessee, and Authority is authorized to record a memorandum of this Lease to effectuate this section.

1.6 Quiet Enjoyment.

Authority agrees that, subject to Lessee's performance of the terms and conditions of this Lease, Lessee shall peaceably and quietly have, hold and enjoy the Premises in accordance with the terms and conditions of this Lease.

1.7 Permitted Uses.

Lessee shall be permitted to use the Premises only for general office/administration purposes related to Lessee's business operations, namely provision of pilot training services for fixed-wing and rotary aircraft/helicopters (the "Permitted Uses"). Lessee shall not use or otherwise utilize the Premises for any purpose other than the Permitted Uses without the express, written consent of the Authority.

1.8 Signage.

All signage on the Premises shall comply with the Minimum Standards and must be approved in writing by the Authority in its sole and absolute discretion before being installed.

ARTICLE II

TERM OF LEASEHOLD

2.1 Initial/Base Term of Lease.

The Term of this Lease is defined as the period beginning on the Effective Date and shall run for a period of **twenty-four (24) months**, unless sooner terminated in accordance with the terms and provisions hereof.

2.2 Options to Extend Term.

Lessee shall have the option to extend the term of this Lease for two (2) consecutive additional periods of one (1) year each ("Extension Term") by notifying the Authority in writing at least ninety (90) days prior to the expiration of the preceding term; provided, however, in order to exercise either of these options, Lessee shall not have committed an Event of Default which is continuing at the time of the exercise of the option or at the time of the extension of the Initial Term. The Initial Term, and Extension Term, if any, are collectively referred to as the "Term". Rent for all extension terms shall be calculated pursuant to Section 3.3.

ARTICLE III

ANNUAL RENT AND FEES

3.1 Annual Rent and Fees.

Lessee shall pay to the Authority annual rent for the Premises (hereinafter referred to as the “Annual Rent”) for each twelve (12) month period or portion thereof during the initial term and any Extension Term of this Lease, beginning with the Commencement Date, in the amount detailed below, which Annual Rent shall be payable on or before the first day of each calendar month (or partial calendar month) thereafter, in amounts equal to one-twelfth (1/12) of the Annual Rent then due, plus any sales or rent taxes due on that installment, in advance, in lawful money of the United States, without deduction or set-off, at the office of the Authority. Annual Rent for a partial month, if any, during the Term of this Lease shall be prorated based on the number of days in such month.

3.2 Calculation of Annual Rent and Fees.

(a) Base Rent: The initial Annual Rent and related charges to be paid to the Authority by Lessee for the Premises beginning with the Commencement Date, which shall be adjusted annually as set forth below, shall be: base rent in the amount of **\$1,685.00** per month (approximately **\$20,220.00** total annual base rent divided by 12).

(b) Additional Rent (other):

- (i) Lessee shall pay to Authority monthly common area maintenance (CAM) fees in the amount of **\$500.00** for the Premises. These CAM fees shall be paid at the same time and in the same manner as base rent due the Authority from Lessee and are to cover Lessee’s share of expenses related to the upkeep, maintenance and repair of common areas of the Administration Building and related facilities, such as the parking areas. The CAM fees identified in this paragraph do not include non-fixed or fluctuating fees associated with the Administration Building and related facilities, which are addressed below.
- (ii) In addition to CAM fees, Lessee shall pay to Authority additional fees monthly for non-fixed, invoiced services (“WING fees”), including without limitation pest control, electricity and water services. The current amount of WING fees related to the Premises is **\$6,282.04** per year (**\$523.50** per month). At the conclusion of each lease year, the Authority will provide to Lessee an invoice for that year’s WING fees that will identify the provider of each service for which Lessee was charged and the amount of the charge. Within ten (10) days of Lessee’s receipt of such yearly invoice from Authority for WING fees, Lessee shall pay such WING fees to Authority in the same manner as base rent due the Authority from Lessee.

- (iii) Lessee shall pay to Authority any and all sales tax due on any of the rent, fees or other charges due under this Section 3.2, to Authority at the same time and in the same manner as base rental payments are paid to Authority by Lessee. Lessee acknowledges that sales tax rates are subject to change from time to time and further agrees and acknowledges that it is responsible to calculate and pay to Authority the correct amount of sales tax due hereunder.
- (iv) All sums due Authority hereunder, regardless of nature or purpose, constitute rent due the Authority, and failure to pay any such sums when due constitutes failure to pay rent under this Lease and default hereunder.

3.3 Annual Rental Rate Adjustment.

Each year on the anniversary of the Effective Date (the “Rent Adjustment Date(s)”), all rent and Premises-related payments and charges due Authority from Lessee as set forth in section 3.2 above shall increase by a fixed rate of five (5%) percent over and above the immediate-prior year’s rent and Premises-related payments and charges.

3.4 Delinquent Rent.

Any installment of rent, taxes and/or any other amounts due from Lessee under this Lease that is not received within ten (10) calendar days after it is due shall be considered a material breach of this Lease and shall bear interest from the date when the same was due until paid by Lessee at the interest rate of eighteen percent (18%) per annum. In the event Authority has not received payment from Lessee when due, Authority shall endeavor to send a written notice of non-payment to Lessee, but Authority’s failure to do so shall not affect Lessee’s default nor shall it affect Authority’s rights under the Lease as to Lessee’s default.

3.5 Construction Period. In consideration of Lessee’s buildout of and construction of improvements to the Premises at its own cost and expense, which provide added value to the Authority-owned Premises, base rent due the Authority from Lessee shall be abated for a four-month period beginning on the Effective Date of the Lease, and during said four-month abatement period no base rent shall be due Authority from Lessee. This provision shall not apply to any other sums due Authority from Lessee under the Lease including without limitation CAM fees.

ARTICLE IV **MAINTENANCE AND UTILITIES**

4.1 Maintenance – Administration Building.

All facilities furnished by the Authority and designated for the general use of occupants of the Premises, including Lessee hereunder, their respective officers, agents, employees and customers, including, but not limited to, any of the following which may have been furnished by Authority (such as parking areas, driveways, entrances and exits thereto, employee parking areas,

truck way or ways, truck courts and service courts, loading docks, package pick-up stations, pedestrian sidewalks and ramps, landscaped areas, exterior stairways, first aid stations, comfort stations, bus stops, taxi stands, malls, and other similar facilities) shall at all times be subject to the exclusive control, administration, and management of the Authority. The Authority shall have the right from time to time to change the area, level, location, amount and arrangement of such parking areas and all other facilities referred to above and to make all rules and regulations pertaining to and necessary for, in the Authority's sole judgment, the proper operation and maintenance of the Premises as above described and as hereinafter defined, provided the same shall not unreasonably interfere with Lessee's quiet use of or access to the Premises or with the visibility of the Premises.

- (a) It is the intent of the parties to this Lease that Lessee pay its proportionate share of all costs and expenses related to maintenance, repair and upkeep of the Administration Building, which is the location of the Premises. Lessee understands and acknowledges that is leasing a portion of the available space in the Administration Building and that its proportionate share of all expenses related to the Administration Building itself (and not those expenses incurred solely for the benefit of any particular tenant or occupant thereof) is commensurate with the extent of its leased space. In an effort to provide as much clarity as possible as to what expenses related to the Administration Building are considered common expenses, the following expenses, although not a complete or exhaustive list of the same, are common expenses: property management, administration, gardening and landscaping, the cost of public liability, flood, property damage, and all other insurance (if not provided separately by Lessee at its sole cost and expense), repairs of all kinds, line and other painting, facade maintenance, lighting, exterior and partition (demising) wall repairs, roof repairs, maintenance of all steam, water and other water retention and discharging piping, lakes, culverts, fountains, pumps, weirs, lift stations, catch basins, and other areas and facilities whether or not on or off-site, canal embankment and related maintenance, repair and repainting of sidewalks due to settlement, pothole and general resurfacing of parking areas, sanitary control, trash, rubbish, garbage and other refuse removal and services, security systems, services, and personnel to implement all such services to direct parking, and to police and secure the common facilities and areas. Additionally, "common facilities and areas" for the purposes of this Lease includes without limitation all areas, space, equipment and special and other services provided by the Authority for the common or joint use and benefit of the various occupants of the Administration Building, their respective employees, agents, servants, customers and other invitees, including, without limitation, parking areas, access roads, driveways, retaining walls, landscape areas, truck service ways or tunnels, loading docks, pedestrian walks, courts, stairs, ramps and sidewalks, comfort and first aid stations, washrooms and parcel pick-up stations, if any of the same be provided.
- (b) The Authority shall not be liable for any damages from plumbing, gas, water steam or sewage leaks or stoppage, nor for damage arising from acts of negligence of Lessee and/or third parties. Lessee shall not store any products or substances which shall increase the need for pest control services. Lessee agrees

to accept the Premises and appurtenances thereof, including sprinkler, if any, heating, air conditioning, water and sewer systems, electrical fixtures, plumbing, plumbing fixtures and equipment, in "as is" condition and maintain them in such condition and good order through the term of this Lease and any extensions hereof. At all times this Lease is in effect, Lessee shall maintain and keep in force at Lessee's expense a service and maintenance contract for the heating, ventilating and air conditioning systems provided for the Premises. Such contracts shall be with a professional HVAC servicing and maintenance contractor of Lessee's choice licensed in the state of Florida. Should such contractor fail to perform satisfactory service or maintenance, the Authority shall have the right in its discretion to require Lessee to terminate the existing contract, in which event Lessee forthwith shall engage another contractor approved by the Authority. Lessee shall be liable for any damage or injury which may be caused by or resulting from Lessee's failure to faithfully comply with all of the terms and conditions contained herein and which are to be complied with by Lessee. Lessee shall perform pest extermination(s) at its expense promptly following request(s) by the Authority and will use a licensed exterminating firm exclusively for this purpose. Lessee shall use the plumbing systems in the Premises only for their intended purpose and shall not place or permit to be placed therein any caustic, acid, corrosive or concentrated substances or objects which are likely to cause damage to the plumbing systems, or cause them to fail in whole or part. Should Lessee violate this covenant, Lessee shall be liable to the Authority for the full cost of cleaning, repairing or rebuilding the plumbing systems, which amount(s) shall be payable as additional rent hereunder. In the event Lessee receives written consent to penetrate the roof or any wall of the Premises, Lessee shall be solely responsible for any damage which may be caused by or result from such penetration. Lessee agrees, at Lessee's expense, to replace promptly any and all plate or other glass in the Premises which may become damaged or broken as a result of Lessee's actions with glass of the same kind and quality.

- (c) In regard to the CAM fee due to the Authority from Lessee as set out in Section 3.2, above, at the end of each Lease Year (defined as the 1-year period between anniversaries of the Effective Date), the Authority shall deliver to Lessee a statement showing the cost of operating and maintaining the common facilities and area and further showing Lessee's proportionate share of such cost. In the event the total annual payment made by Lessee for CAM fees exceeds Lessee's proportionate share for such Lease Year, then the Authority will apply any such overage towards the next succeeding monthly rent payment(s) (or refund them if the overage exceeds the remaining rent due under the Lease). In the event the total annual payment made by Lessee for CAM fees are less than Lessee's proportionate share for such Lease Year, then Lessee shall pay any such deficiency to Lessor immediately upon demand and the monthly payments for the succeeding Lease Year will be increased so that the 12 monthly payments for such Lease Year will equal the increased CAM fees for the preceding Lease Year.

4.2 Trash and Garbage.

During this Lease, Lessee shall be responsible for the storage, collection and removal from the Premises of all trash, garbage and other refuse resulting from Lessee's activities on the Premises. Lessee shall provide appropriate, covered, metal receptacles for trash, garbage and other refuse, will maintain the receptacles in an attractive, safe and sanitary manner, and will store receptacles in inconspicuous places on the Premises that are screened from public view in accordance with the Minimum Standards.

4.3 Utilities (Electrical and Sewer).

During this Lease, Lessee shall be responsible, at Lessee's sole cost and expense, for any necessary installation of and costs related to utility services within and to the Premises except the construction of Improvements detailed in **Exhibit "C"** hereto, if any. Utility service costs associated with the Administration Building facilities shall be included in WING fees as described in section 3.2, above. Lessee agrees that the Authority shall have no liability to Lessee arising out of any interruption of utility service to the Premises, unless such interruption was caused by the gross negligence of the Authority. For purposes of this section 4.3, the acts of a third party shall not constitute acts within the control of the Authority unless such acts were directed by the Authority.

ARTICLE V **TAXES**

5.1 Property Taxes and Assessments.

Lessee shall pay when due all taxes, assessments (including, without limitation, stormwater utility charges) and impact fees levied against or in connection with the Premises, its leasehold interest therein, and any improvements thereto, and shall pay when due all taxes and assessments levied against Lessee's personal property located on the Premises or otherwise arising out of its operations on the Premises. In the event Lessee fails to pay such taxes and assessments when due, Lessee shall be obligated to pay all resulting interest and penalties on such delinquent taxes and assessments. If the this Lease expires or is earlier terminated prior to the close of the tax year for which any such tax is payable, or if this Lease or any term hereof commences on a date other than the first day of such tax year, Lessee shall be responsible for paying a percentage of the tax calculated by: (i) dividing the number of days that this Lease was in effect during such tax year by 365; (ii) multiplying the resulting quotient by Lessee's total tax liability for the full tax year (the figure that would have been due from Lessee if it was responsible for payment of the total taxes for the full tax year). If this Lease is in effect for a period less than any entire period for which an assessment other than a tax is imposed, Lessee shall pay a percentage of the assessment calculated by dividing the number of days this Lease was in effect during that assessment period by the total number of days in the assessment period.

5.2 Protesting Taxes.

Lessee may exercise any rights provided by law to contest or pay under protest any taxes and shall not thereby be deemed in default under this Lease, provided that such contest or payment under protest does not result in the imposition of a lien for delinquent taxes on the

Premises or any improvements and Lessee promptly pays all taxes and assessments (and any interest and penalties with respect thereto) ultimately determined to be due. No provision of this Lease shall be construed as a release or waiver on the part of the Authority of the right to assess, levy or collect any license, personal property, intangible, occupation or other tax which they, or either of them, may lawfully assess, levy or collect on the business or property of Lessee. Lessee's obligations under this Article shall survive the expiration or earlier termination of the term of this Lease.

5.3 Payment of Sales Tax.

Lessee shall be liable, at its sole cost and expense, for any sales, use or similar taxes with respect to all rent and other payments due from and/or made by Lessee in accordance with the provisions of this Lease. Lessee shall indemnify, defend and hold Authority completely harmless from and against any liability, including any interest and penalties, which might arise in connection with Lessee's failure to timely remit any such taxes.

ARTICLE VI **INSURANCE**

6.1 Hazard Insurance.

Lessee shall, at its sole expense, obtain and maintain throughout the this Lease property and casualty insurance on and for all improvements, equipment, furnishings and other personal property now or hereafter erected, installed or used at the Premises, on a replacement cost basis (without deduction for depreciation), for the benefit of Authority and Lessee as their interests may appear, with such coverages, in such form, and with such company or companies as the Authority shall approve in writing, including coverage for damage by fire, the elements or other casualty with standard extended endorsements. Lessee, on behalf of itself and its insurance carriers, hereby waives any and all rights of recovery which it may have against Authority or any other party who it is required to indemnify in accordance with the provisions of Article 8 below, for any loss of or damage to property it may suffer as a result of any fire or other peril insured under an insurance policy which it is required to obtain hereunder.

6.2 Liability Insurance.

Lessee shall, at its sole expense, obtain and maintain throughout this Lease automobile liability insurance on all automobiles used in connection with its operations at the Premises and commercial general liability insurance protecting the Authority and Lessee (including, without limitation, all members of the governing board of Authority), officers, agents and employees of each, from and against any and all liabilities arising out of or relating to Lessee's occupation and/or use of the Premises, or the conduct of its operations on the Premises, in the amount of not less than \$1,000,000 (or such greater amount as may be maintained by Lessee from time to time) per occurrence, with no self-insured retention or deductible amount, in such form, and with such company or companies as Authority shall approve in writing, which approval shall not be unreasonably withheld. Such insurance shall include contractual liability coverage for Lessee's covenants to indemnify the Authority and the other parties as required under this Lease and shall provide that it is primary insurance as respects any other valid and collectible insurance the

Authority or any of the other additional insureds may possess, including any self-insured retention or deductible any of them may have, and that any other insurance carried by any of them shall be considered excess insurance only.

6.3 Workers' Compensation.

Lessee shall keep in force, at its sole expense, workers' compensation or similar insurance affording the required statutory coverage and requisite statutory limits. Lessee shall also maintain at all times while this Lease is in effect employer's liability insurance with limits of liability of not less than \$500,000 for each of the "each accident," "disease policy limit," and "disease each employee" coverage or a self-insured program with comparable coverage. Such workers' compensation and employer's liability insurance or self-insured program shall contain a waiver of any right of subrogation against Authority.

6.4 Certificates of Insurance.

Within thirty (30) days after the Effective Date of this Lease, and within thirty (30) days after the expiration of any policy or policies required to be provided by Lessee hereunder, Lessee shall furnish an original certificate of insurance to Authority evidencing such coverage, naming the Authority as an additional insured under the property insurance required under section 6.1, naming the Authority as an additional insured under the liability policies required under section 6.2, and confirming that the policy or policies will not be canceled or modified nor the limits thereunder decreased without thirty (30) days' prior written notice thereof to and approval from Authority. Lessee shall also provide Authority with copies of endorsements and other evidence of the coverage set forth in the certificate of insurance as Authority reasonably may request. If Lessee fails to comply with the terms of this section, Authority shall have the right but not the obligation to cause insurance as referenced above to be issued, and in such event Lessee shall pay the premium for such insurance upon Authority's demand. Authority shall have the right, exercisable on ninety (90) days' prior written notice to Lessee, to require Lessee, from time to time, to reasonably increase the monetary limits or coverages provided by such policy or policies. Furthermore, Lessee shall provide proof of its compliance with Article VI by providing copies of such policies, together with any declarations pages and riders related thereto, to Authority upon reasonable demand thereby.

ARTICLE VII **ENVIRONMENTAL**

7.1 Lessee's Environmental Obligations.

Lessee shall comply with all "Environmental Laws", which are defined as all applicable federal, state and local statutes, laws, ordinances, regulations, administrative rulings, orders and requirements pertaining to the protection of the environment, including but not limited to, the Authority's rules and regulations, and including, but not limited to those regulating the use, storage, handling and disposal of any contaminant, toxic or hazardous waste, or any other substance the removal of which is required or the use of which is restricted, prohibited or penalized under any federal, state or local statute, law, ordinance, regulation, rule or judicial or

administrative order with respect to environmental conditions, health, or safety, including, without limitation, asbestos or petroleum products (“Hazardous Substances”). Further, during the Term of this Lease, neither Lessee nor any agent or party acting at the direction or with the consent of Lessee shall use, store, handle or dispose of by any means any Hazardous Substances at the Premises, except that Lessee shall be entitled to use Hazardous Substances of the type and in the quantities typically used by companies performing similar aviation services in accordance with all applicable Environmental Laws. Notwithstanding any other provision hereof, Lessee does not undertake any obligation to remediate, or to take any other action with respect to, any environmental condition not attributable to actions at the Premises (or elsewhere at the Airport) by Lessee, its officers, employees, agents, contractors, subcontractors, licensees or invitees.

Upon reasonable notice to Lessee, the Authority may conduct or cause to be conducted through a third party that it selects an environmental audit or other investigation of Lessee’s operations to determine whether Lessee has breached its obligations under this section. Lessee shall pay all costs associated with said investigation if such investigation shall disclose any such breach by Lessee.

The provisions of this section 7.1 shall survive the expiration or earlier termination of the term of this Lease.

ARTICLE VIII **INDEMNIFICATION**

8.1 Lessee Indemnification.

Lessee shall indemnify, defend and hold completely harmless Authority, from and against any and all liabilities (including, but not limited to, liability with respect to any Hazardous Substances and liability under the Comprehensive Environmental Response, Compensation and Liability Act, as it may be amended from time to time (“CERCLA”), and any other environmental law), losses, suits, claims, demands, judgments, fines, damages, penalties, costs and expenses (including all costs for investigation and defense thereof, including, but not limited to court costs, reasonable expert fees and reasonable attorneys’ fees and costs, including fees and charges for the services of paralegals or other personnel working under the supervision of such attorneys (“Attorneys’ Fees”)) which may be incurred by, charged to or recovered from any of the foregoing: (i) by reason or on account of damage to or destruction of any property of Authority, or any property of, injury to or death to any person resulting from or arising out of the use, occupancy or maintenance of the Premises or any improvements, or the Lessee’s operations thereon, or the acts or omissions of Lessee’s officers, employees, agents, contractors, subcontractors, licensees or invitees, regardless of where the damage, destruction, injury or death occurred, except to the extent that such liability, loss, suit, claim, demand, judgment, fine, damage, penalty, cost or expense was proximately caused by the entity to be indemnified hereunder, (ii) arising out of the failure of Lessee to keep, observe or perform any of the covenants or agreements in this Lease to be kept, observed or performed by Lessee, or (iii) imposed on or assessed against the Authority by reason of or arising out of any act or omission on the part of Lessee, any subtenant or any other person acting by, through or for Lessee or any subtenant of Lessee. Authority agrees to give Lessee reasonable notice of any suit or claim for which indemnification will be sought by it hereunder, to allow Lessee or its insurer to

compromise and defend the same to the extent of its interest and to reasonably cooperate with the defense of any such suit or claim. The provisions of this section 8.1 shall survive the expiration or earlier termination of this Lease with respect to any acts or omissions occurring during the term of this Lease. Irrespective of the foregoing, nothing in this section 8.1 is intended to or shall abrogate, supplant or otherwise modify in any way the Authority's right to claim any form of governmental or sovereign immunity including without limitation the immunity available to the Authority under section 768.28, Florida Statutes.

ARTICLE IX

DESTRUCTION OF IMPROVEMENTS – CORPORATE AVIATION TERMINAL

9.1 Insurance Proceeds – Administration Building.

Upon receipt by Lessee and the Authority of the proceeds of any property or builder's risk insurance policy or policies, Lessee and the Authority shall deposit same in an interest-bearing escrow account to pay for the cost of repair, replacement and rebuilding of the property that was the subject of such insurance claim(s). The Authority shall receive and hold such proceeds (and any interest earned thereon) in trust for such work, and the Authority shall distribute such proceeds (and any interest earned thereon during construction) solely to pay the cost of such work. If the amount of such insurance proceeds (together with the interest earned thereon) is insufficient to pay the costs of the necessary repair, replacement or rebuilding of such damaged property, Lessee shall pay any additional sums required in relation to repair, replacement and/or rebuilding of the Premises and its proportionate share of any repair, replacement or rebuilding of any common facilities or areas, and if the amount of such insurance proceeds (together with the interest earned thereon) is in excess of the costs thereof, the amount of such excess shall be retained by Lessee to the extent it was paid by any insurer in relation to damage to Lessee's personal property on the Premises. Notwithstanding the language of this section 10.1, in the event of total or partial destruction of the Premises, the parties will mutually evaluate a course of action that makes commercial sense regarding (i) insurance proceeds and (ii) whether or not this Lease should be terminated.

ARTICLE X

CONDEMNATION

10.1 Notice of Condemnation.

The party receiving any notice in connection with any proceedings or negotiations with respect to an actual or potential condemnation proceeding (a "Taking") shall promptly give the other party notice of the receipt, contents and date of the notice received.

10.2 Rights of Authority and Lessee.

Authority and Lessee shall each have the right to represent its respective interests in each proceeding or negotiation with respect to a Taking. Authority and Lessee each agrees to execute and deliver to the other any instrument that may be required or which would facilitate the provisions of this Lease relating to the condemnation.

10.3 Taking of Leasehold.

Upon a Taking of the entire Premises, Lessee's interest in this Lease shall continue until the Taking is completed by deed, contract or final order of condemnation, unless otherwise specified by court order. If the Taking is of substantially all of the Premises, Lessee may, by notice to Authority within ninety (90) days after Lessee receives notice of the Taking, elect to treat the Taking in accordance with the preceding sentence. If Lessee does not so notify Authority, this Lease shall remain in full force and effect covering the balance of the Premises not so taken, except that the rent payable hereunder by Lessee shall be equitably adjusted (a "Partial Taking").

10.4 Taking of Temporary Use of Premises and Improvements.

Upon any Taking of the temporary use of all or any part of the Premises or improvements, or both, neither the current Lease term nor the rent shall be reduced or affected in any way unless agreed upon by the parties hereto in writing. To the extent either party receives compensation as a result of any Taking and that is directly related to compensation for Lessee's loss of use of the Premises, whether temporarily or permanently, then such compensation shall be paid to Lessee. If a result of the Taking is to necessitate expenditures for reconstruction of any improvements, including without limitation the Administration Building or any portion thereof, to make them reasonably suitable for Lessee's continued use in connection with its operations under this Lease, after the termination of such Taking, Lessee shall perform such work in accordance with the provisions of the Lease and if required thereby.

10.5 Taking by Authority.

Upon any Taking by Authority, Authority and Lessee will either agree to the amount to be paid by Authority for such Taking, or in the absence of such agreement, the matter will be determined in accordance with the laws of the State of Florida.

10.6 Deposit of Sums Payable on Taking.

If Authority and Lessee are unable to agree on how all sums payable by a third party on the Taking are to be distributed and disbursed as between Authority and Lessee under the terms of this Lease, then Authority and Lessee agree to take such action as shall reasonably be required to withdraw such sums from the Registry of the Court and jointly deposit such sums in an interest bearing escrow account, and once agreement is reached between Authority and Lessee as to how such sums are to be distributed and disbursed (or the matter has been determined by a court in accordance with the laws of the State of Florida), the interest earned on such sums shall be distributed between Authority and Lessee in the same proportion as the distribution of the principal amount being held in escrow.

ARTICLE XI

DEFAULT

11.1 Events of Default.

The occurrence of any of the following shall constitute an event of default (an “Event of Default”) by Lessee under this Lease: (i) the failure of Lessee to fully and timely make any payment of rent or any other payment required to be made by Lessee hereunder within ten (10) calendar days of the date when any such payment(s) is/are due; (ii) the failure of Lessee to keep, observe or perform any other material covenants or agreements herein unrelated to payments due, and the continued failure to observe or make a reasonable effort to begin to perform any such covenant or agreement after a period of thirty (30) days after written notice to Lessee of such failure; (iii) commencement by or against the Lessee of an insolvency or bankruptcy proceeding, including, without limitation, a proceeding for liquidation, reorganization or for the readjustment of its indebtedness, or the insolvency of the Lessee, or an assignment or arrangement for the benefit of its creditors or the appointment of a receiver, trustee or custodian, provided, however, that any of the foregoing set forth in this sub-sentence (iii) which is commenced by a person other than Lessee shall not constitute an Event of Default if it is discharged within sixty (60) days following receipt of written notice from Authority; or (iv) the placement of any lien upon the Premises or any improvements (excluding liens for taxes which are not delinquent and mortgages permitted hereunder) which is not discharged of record by payment or bond within thirty (30) days following receipt of written notice from Authority, or any levy under any such lien.

11.2 Remedies for Default.

Upon the occurrence of an Event of Default, the Authority may in its sole discretion pursue any or all of the following remedies and such other remedies as may be available to the Authority at law or in equity:

- (a) Authority may terminate the Lease and re-enter and repossess the Premises;
- (b) Authority may, without terminating this Lease, terminate Lessee’s right to possession of the Premises, retake possession of the Premises, accelerate without notice of any kind to Lessee all sums due to Authority from Lease for the remainder of the then-current Lease term that have not been paid by Lessee and recover damages for all such amounts due and owing, including without limitation the accelerated amount due, from Lessee.

Irrespective of the exercise of either of the above-referenced options, Authority shall have the right to recover all unpaid rent and other payments due Authority prior to the date of termination of possession or of the Lease, and all of Authority’s costs, charges and expenses, including reasonable Attorneys’ Fees, incurred in connection with the recovery of sums due under this Lease, or due to the breach of any covenant or agreement of Lessee contained in this Lease, including any costs and expenses of re-letting the Premises, repairs and renovations to the Premises, all brokerage fees and Attorneys’ Fees. Authority will have the right at any time following an Event of Default to elect to terminate the Lease. No action taken by Authority

pursuant to this Section 11.2 shall be deemed to terminate this Lease unless written notice of termination is given by Authority to Lessee.

The rights and remedies given to Authority by this Lease shall not be exclusive, and in addition thereto, Authority shall have such other rights and may pursue such other remedies as are provided by law or in equity. All such rights and remedies shall be deemed to be cumulative, and the exercise of one such right or remedy by Authority shall not impair its standing to exercise any other right or remedy.

Lessee hereby expressly waives any notices of default not specifically provided for herein, including, without limitation, the three (3) day notice provided for in section 83.20, Florida Statutes, and all rights of redemption, if any, granted under present or future law in the event Lessee shall be evicted or dispossessed for any cause, or in the event Authority shall obtain possession of the Premises by virtue of the provisions of this Lease or otherwise.

11.3 Advances by Authority.

If Authority has paid any sums of money or incurred any obligation or expense for which Lessee is obligated to pay or reimburse Authority, or if Authority is required or elects to do so because of the failure of Lessee to perform any of the terms or conditions of this Lease after 10 days' written notice, then the same shall be deemed "rent" and shall be paid to Authority in accordance with Article III herein.

11.4 Non-Waiver by Authority.

No waiver of any covenant or condition or of the breach of any covenant or condition of this Lease shall constitute a waiver of any subsequent breach of such covenant or condition or justify or authorize the non-observance on any other occasion of the same or of any other covenant or condition hereof. The acceptance of rent or other payments from Lessee by Authority at any time when Lessee is in default under this Lease shall not be construed as a waiver of such default or of Authority's right to exercise any remedy arising out of such default, nor shall any waiver or indulgence granted by Authority to Lessee be taken as an estoppel against Authority, it being expressly understood that Authority may at any time thereafter, if such default continues, exercise any such remedy in the manner hereinbefore provided or as otherwise provided by law or in equity.

ARTICLE XII **MISCELLANEOUS**

12.1 Additional Provisions.

The Parties hereby agree that this Lease shall be subject to the provisions of all exhibits referenced in and/or appended to this Lease, which are incorporated herein and made material and binding parts hereof by reference. In the event of any direct conflict between the terms of the Lease and the terms of any exhibit hereto, the Lease shall control.

12.2 Fees.

Authority will not assess landing fees on aircraft flying non-revenue flights.

12.3 Recording.

This Lease shall not be recorded except that a memorandum hereof may be recorded if required to effectuate any terms hereof, including without limitation the prohibition against construction liens against the Premises.

12.4 Additional Reserved Rights of Authority.

Authority reserves the right to further develop, improve, repair and alter the Airport and all roadways, parking areas, facilities, landing areas and taxiways as it may reasonably see fit, although Authority will endeavor to do so without disturbing Lessee's quiet use and enjoyment of the Premises. Authority shall be free from any and all liability to Lessee for loss of business or damages of any nature whatsoever to Lessee occasioned by the making of such improvements, repairs, alterations and additions. Authority reserves the right to establish such fees and charges for the use of the Airport by Lessee (excluding any additional charge for the use of the Premises) and all others similarly situated from time to time as Authority may deem advisable.

12.5 Leasehold Encumbrances.

Lessee shall not encumber the leasehold premises without prior written approval from Authority, which shall be at Authority's sole and absolute discretion.

12.6 Assignment and Subletting.

- (a) Lessee shall not at any time sublet or assign this Lease, in whole or in part, or assign any of its rights or obligations hereunder, without the prior written approval of Authority, which approval may be granted or withheld by Authority in its sole discretion; except that Lessee may assign this Lease without prior approval (but upon prior written notice to Authority) to a corporate parent, affiliate, sister company, or subsidiary (collectively, an "Affiliate"), upon submitting proof of such affiliation satisfactory to Authority. No sublease or assignment shall release Lessee from any of its obligations under this Lease unless the Authority agrees to such release in writing in its sole discretion. Approvals required under this paragraph shall be in writing and shall apply to any change in ownership of or power to vote a majority of the outstanding voting stock of Lessee from the owners of such stock or those controlling the power to vote such stock on the date of this Lease (except in the event Lessee is a corporation whose stock is publicly traded), or if Lessee is a limited or a general partnership or other entity, any transfer of an interest in the partnership or other entity which results in a change in the control of such partnership or other entity. Any assignment or sublease that is not in strict compliance with the terms and conditions of this Paragraph, shall be void ab initio and shall be of no force or effect whatsoever.

- (b) Lessee agrees to reimburse the Authority for its Attorneys' Fees and costs actually incurred in determining whether to give its consent to any proposed sublease or assignment, whether or not such consent is given, and the negotiation and preparation of any documents with respect to such sublease or assignment.

12.7 Notice.

Any notice permitted or required to be given under the terms of this Lease shall be in writing, addressed to the party to whom it is directed, and sent either by (1) hand delivery, (2) United States certified or registered mail, postage prepaid, return receipt requested or (3) overnight delivery by a nationally recognized company, to the address shown below or to such other address as either party may from time to time designate by written notice in accordance with this section:

EXHIBIT “D”
CONSTRUCTION OF IMPROVEMENTS

1. Prior to commencement of construction of any improvements (the “Improvements”), and prior to commencing to renovate, enlarge, demolish or modify any Improvements now or hereafter existing on the Premises, Lessee must obtain the approval of the Chief Executive Officer of Authority, which he may grant or withhold in his sole discretion. Lessee shall submit the plans and specifications (prepared in accordance with the Minimum Standards and under the seal of a duly licensed architect or engineer) to Authority for its approval (the “Plans”), in accordance with the approval process prescribed by Authority. No construction of any type shall commence prior to Lessee’s receipt of: (i) Authority’s written approval of the Plans, and (ii) a notice to proceed from the Authority.
2. Authority’s approval of any Plans submitted by Lessee shall not constitute the assumption of any liability by Authority for the compliance or conformity of the Plans with applicable building codes, zoning regulations and municipal, county, state and federal laws, ordinances and regulations, or for their accuracy or suitability for Lessee’s intended purpose, and Lessee shall be solely responsible for the Plans. Authority’s approval of the Plans shall not constitute a waiver of Authority’s right thereafter to require Lessee, at its expense, to amend the same so that they comply with building codes, zoning regulations, municipal, county, state and federal laws, ordinances and regulations either applicable at the time the Improvements were constructed or by laws otherwise made applicable to Lessee’s Improvements, and to make such construction changes as are necessary so that the completed work is in conformity with the approved Plans.
3. In the event Authority does not approve the Plans, it shall notify Lessee of the changes required to be made (including reference to those portions of this Lease, the Minimum Standards and the Master Plan forming the basis for disapproval, if applicable), and Lessee shall promptly revise the Plans to incorporate the required changes, and shall resubmit revised Plans to the Authority for approval.
4. Lessee shall obtain, at its expense, all necessary licenses and permits to accomplish its Improvements, and shall pay all applicable impact fees relating thereto.
5. Once Lessee has commenced construction of any Improvements, such construction shall be pursued diligently to completion, subject to Force Majeure. All Improvements shall be constructed in accordance with the approved Plans, the Minimum Standards, and all applicable building codes, zoning regulations and municipal, county, state and federal laws, ordinances and regulations. Within ninety (90) days after completion of construction of the Improvements, Lessee shall, at its expense, provide Authority with record drawings showing the “as built” condition of any Improvements constructed by Lessee, in such format (including, without limitation a CADD format) as the Chief Executive Officer shall request.
6. Lessee hereby warrants and covenants to Authority that all Improvements now or hereafter erected on the Premises shall be at all times free and clear of all liens, claims and encumbrances and hereby agrees to indemnify and hold Authority harmless from and against any and all losses, damages and costs, including reasonable Attorneys’ Fees relating to or arising out of any such lien, claim or encumbrance. If any such lien or notice of lien on account of the alleged debt of Lessee shall be filed against the Premises, Lessee’s leasehold interest therein or any Improvements, the Lessee shall, within thirty (30) days after notice of filing thereof, cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise. Prior to construction of any Improvements at the Premises, Lessee shall record and post a Notice of Commencement and all applicable payment bonds in accordance with applicable laws. No work hereunder shall be commenced until Lessee or its Contractor provides to Authority from a company reasonably acceptable to the Chief Executive Officer: (i) a surety payment bond for the benefit of Authority in the form attached to the Lease as Exhibit “I” in an amount equal to the total estimated cost of the work, which bond shall guarantee the payment of all contractors’ and subcontractors’ charges and charges of all other persons and firms supplying services, labor, materials or supplies in connection with the work, (ii) a surety performance bond for the benefit of Authority, in the form attached to the Lease as Exhibit “I,” in an amount equal to the total estimated cost of the work, which shall guarantee the prompt completion of the work by Lessee in accordance with the Plans, and (iii) a policy of builder’s risk insurance.
7. Nothing in this Lease shall be deemed or construed in any way as constituting the consent or request of Authority, express or implied, to any contractor, subcontractor, laborer, materialman, architect, surveyor or engineer for the performance of any labor or the furnishing of any materials or services for or in connection with the Premises or any part thereof. Notice is hereby given that the Authority shall not be liable for any labor or materials or services furnished or to be furnished to Lessee upon credit, and that no construction or other lien for labor, materials or services shall attach to or affect the fee or reversionary or other estate or interest of the Authority in the Premises or in this Lease. All persons dealing with the Premises and with Lessee are hereby put on notice that Lessee does not have the power to deal with the Premises in such a manner as to authorize the creation of construction liens, by implication or otherwise; and all persons making improvements to the Premises, either by doing work or labor or services or by supplying materials thereto, at the request of Lessee or persons dealing by, through or under Lessee, are hereby put on notice that they must look solely to the Lessee and not to the Premises or any part thereof or to this Lease for the payment of all services, labor or materials performed upon or delivered to the Premises.

8. Title to all Improvements now or hereafter constructed by Lessee on the Premises shall vest in Authority upon the completion of the Improvements. Lessee hereby covenants to execute and deliver to Authority any and all instruments or documents that Authority reasonably requests to effectively transfer, assign and convey such Improvements in fee to Authority. Lessee shall ensure that at the expiration of the Initial Term such Improvements are free of any liens or encumbrances.

EXHIBIT “E” REQUIRED PROVISIONS

Authority’s Reserved Rights. Authority reserves the right for itself and others to utilize and maintain any utility and drainage easements located on the Premises, and to run water, sewer, electrical, telephone, gas, drainage and other lines under or through the Premises and to grant necessary utility easements therefore, provided that in the exercise of such rights, Lessee’s use of the Premises and any Improvements shall not be unreasonably impaired and any damage to the Premises or any Improvements caused by Authority as a result thereof shall be repaired without cost to Lessee.

Discrimination Not Permitted.

Lessee, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (i) no person on the grounds of race, color or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of the Premises, any Improvements or the Airport under the provisions of this Lease; (ii) that in the construction of any Improvements on, over or under the Premises and the furnishing of services thereon, no person on the grounds of race, color or national origin shall be excluded from participation, denied the benefits of, or otherwise be subject to discrimination; and (iii) that Lessee shall use the Premises and the Improvements in compliance with all other requirements imposed pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted Programs of the Department of Transportation-effectuation of Title VI of the Civil Rights Acts of 1964, as the same may be amended. Likewise, Lessee shall comply with the laws of the State of Florida prohibiting discrimination because of race, color, religion, sex, national origin, age, handicap or marital status. Should the Lessee authorize another person, with Authority’s prior written consent, to provide services or benefits upon the Premises or the Improvements, Lessee shall obtain from such person a written agreement pursuant to which such person shall, with respect to the services or benefits which it is authorized to provide, undertake for itself the obligations contained in this subsection. Lessee shall furnish the original or a true copy of such agreement to Authority.

Lessee will provide all information and reports required by said regulations, or by directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by Authority or the Federal Aviation Administration to be pertinent to ascertain whether there has been compliance with said regulations and directives. Where any information required of Lessee is in the exclusive possession of another who fails or refuses to furnish this information, Lessee shall so certify to Authority or the Federal Aviation Administration, as appropriate, and shall set forth what efforts it has made to obtain the information.

In the event of a breach of any of the above non-discrimination covenants, Authority shall have the right to terminate this Lease and to re-enter and repossess said Premises and the Improvements, and hold the same as if this Lease had never been made or issued. The rights granted to Authority by the foregoing sentence shall not be effective until all applicable procedures of Title 49, Code of Federal Regulations, Part 21 are followed and completed, including exercise or expiration of appeal rights, and the completion of any judicial review.

Further, Lessee assures Authority that no person shall be excluded on the grounds of race, creed, color, national origin or sex from participating in or receiving the services or benefits of any program or activity covered by Title 14, Code of Federal Regulations, Part 152, Subpart E, Federal Aviation Administration, Non-Discrimination in Airport Aid Program, and that it will be bound by and comply with all other applicable provisions of such Subpart E, as it may be amended. Lessee also assures Authority that it will require its covered suborganizations to provide written assurances to the same effect and provide copies thereof to Authority.

Lessee further assures Authority that it will comply with pertinent statutes, Executive Orders, and such other rules as are promulgated to assure that no person shall on the grounds of race, creed, national origin, sex, age, handicap or marital status be excluded from participating in any activity conducted at or in connection with its operations at the Premises. Lessee also assures Authority that it will require its contractors and subtenants to provide assurances to the same effect and ensure that such assurances are included in contracts and subleases at all tiers which are entered into in connection with Lessee’s operations at the Premises.

Authority may from time to time be required by the United States Government, or one or more of its agencies, to adopt additional or amended provisions, including nondiscrimination provisions concerning the use and operation of the Airport, and Lessee agrees that it will adopt such requirements as part of this Lease.

Federal Aviation Administration Requirements.

Authority reserves unto itself, and unto its successors and assigns for the use and benefit of the public, a right of flight for the passage of aircraft through the airspace above the surface of the Premises, together with the right to cause in the airspace such noise as may be inherent in the operation of aircraft now known or hereafter used, and for navigation of or flight in the airspace, and use of the airspace for landing on, taking off or operating on the Airport.

Lessee expressly agrees, on behalf of itself and its successors and assigns:

to restrict the height of structures, vegetation and other Improvements on the Premises in compliance with the requirements of Federal Aviation Administration Regulations, 14 CFR Part 77, as they may be amended from time to time; and

to prevent any use of the Premises and any Improvements which would unreasonably interfere with or adversely affect the operation and maintenance of the Airport, or which would otherwise constitute a hazard at the Airport.

Right to Operate Aircraft at Airport. Nothing contained in this Lease shall give Lessee the right to operate a scheduled airline at the Airport. The right to operate aircraft at the Airport may be obtained by a qualified lessee from Authority by executing an Operating Agreement in the form prescribed by the Authority.

Member Protection. No recourse under or upon any obligation, covenant or agreement contained in this Lease, or any other agreement or document pertaining to the operations of Lessee hereunder, as such may from time to time be altered or amended in accordance with the provisions hereof, or under any judgment obtained against Authority, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any statute or otherwise, under or independent of this Lease, shall be had against any member (including, without limitation, members of Authority's Board and members of Authority's citizens advisory committees), officer, employee or agent, as such, past, present and future, of Authority, either directly or through Authority or otherwise, for any claim arising out of this Lease or the operations conducted pursuant to it, or for any sum that may be due and unpaid by Authority. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any Authority member, officer, employee or agent, as such, to respond by reason of any act or omission on his or her part or otherwise for any claim arising out of this Lease or the operations conducted pursuant to it, or for the payment for or to Authority, or any receiver therefor or otherwise of any sum that may remain due and unpaid by Authority, is hereby expressly waived and released as a condition of and as consideration for the execution of this Lease.

Authority Rules and Regulations. Lessee shall observe and comply with all reasonable rules and regulations of Authority which now exist or may hereinafter be promulgated from time to time governing all matters relating to the Airport, including, without limitation, access, use, safety and conduct of operations at the Airport and the safe use of Airport facilities. Authority shall, at Lessee's written request, furnish a copy of all such rules and regulations, and any amendments thereto, to Lessee.

Authority Access to Premises. Lessee grants Authority and its authorized agents full and free access to the Premises and all Improvements located thereon at all reasonable times (upon reasonable prior notice, except in the event of an emergency) for the purposes of examining the same and seeing that all of the obligations of Lessee hereunder are being met and performed, and for exercising the Authority's rights under Paragraph 4.1 of the Lease, and shall permit them to enter any building or structure on the Premises at any time in the event of an emergency. Authority and its employees, licensees, invitees, agents, patrons and suppliers, and its tenants and their employees, licensees, invitees, agents, patrons and suppliers, shall have the right of vehicular and pedestrian access, ingress and egress over all non-restricted access streets at the Airport.

Relationship of Parties. Nothing contained in this Lease shall be deemed or construed by Authority or Lessee or by any third party to create the relationship of principal and agent or of partnership or of joint venture or of any association whatsoever between Authority and Lessee, it being expressly understood and agreed that neither the computation of Annual Rent, Rent nor any other provisions contained in this Lease nor any act or acts of the parties hereto shall be deemed to create any relationship between Authority and Lessee other than the relationship of landlord and tenant.

Exclusive Rights. The rights granted to Lessee under this Lease are not exclusive, except that Lessee shall have the exclusive use of the Premises for the Term of this Lease in accordance with the provisions of this Lease. The Authority expressly reserves the right to grant to third parties rights and privileges on other portions of the Airport that are identical, in whole or in part, to those granted to Lessee hereunder.

Miscellaneous Provisions.

The section headings contained in this Lease are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision of this Lease.

Except as otherwise provided herein, the provisions of this Lease shall bind and inure to the benefit of the successors and assigns of the parties hereto.

Time is expressed to be of the essence of this Lease.

In the event that any proceeding at law or in equity arises hereunder or in connection herewith (including any appellate proceeding or bankruptcy proceeding) the prevailing party shall be awarded costs, reasonable expert fees and reasonable Attorney's Fees incurred in connection therewith.

This Lease was made in, and shall be governed by and construed in accordance with the laws of, the State of Florida. If any covenant, condition or provision contained in this Lease is held to be invalid by any court of competent jurisdiction, such invalidity shall not affect the validity of any other covenant, condition or provision herein contained.

This Lease, together with the exhibits attached hereto, constitutes the entire agreement between the parties hereto with respect to the subject matter hereof, and any prior agreements, representations or statements heretofore made with respect to such subject matter, whether oral or written, and any contemporaneous oral agreements, representations or statements are merged herein. This Lease may be altered or amended only by written instrument executed by both parties hereto.

Words of gender used in this Lease shall be held and construed to include any other gender; and words in the singular shall be held to include the plural and vice versa unless the context otherwise requires.

Authority and Lessee represent and warrant to each other that they have dealt with no broker in connection with this Lease and the transactions contemplated hereby, and each agrees to indemnify and hold the other harmless in the event its representation and warranty contained herein is not true.

At the request of either party, the other shall with reasonable promptness deliver to the requesting party a written and acknowledged statement that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), that to the best of the responding party's knowledge, the requesting party is not in default under this Lease (or if the responding party has knowledge that the requesting party is in default, identifying the default), and providing such other information with respect to the Lease and the relationship between Authority and Lessee as may reasonably be requested.

COMMUNICATIONS CONCERNING DISPUTED DEBTS. ALL (A) COMMUNICATIONS CONCERNING DISPUTES ABOUT DEBTS THAT ARE OWED OR MAY BE OWED PURSUANT TO THIS AGREEMENT, AND (B) INSTRUMENTS IN LESS THAN THE FULL AMOUNT CLAIMED BY THE AUTHORITY AND TENDERED AS FULL SATISFACTION OF A DISPUTED DEBT OR OTHER AMOUNT OWED, SHALL BE SENT CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO THE FOLLOWING:

**DIRECTOR OF AIRPORTS
TITUSVILLE-COCOA AIRPORT AUTHORITY
355 Golden Knights Boulevard
Titusville, Florida 32780**

In accordance with Florida law, Lessee is hereby advised as follows:

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

Fire Protection System. Lessee shall, at its own cost and expense, maintain in good working order in each building on the Premises where the same is required by applicable fire and safety standards a fire protection system satisfying applicable requirements of NFPA, the local building code enforcement agency and any other applicable legal requirements, which Lessee shall cause to be certified as meeting all applicable fire and safety standards upon installation, and recertified at least annually thereafter, by a qualified fire protection system inspector with a copy of each such certification provided to Authority.

Airport Security. Lessee shall comply with all applicable regulations of the Federal Aviation Administration relating to airport security (including, at the Authority's request and without limitation, all such regulations applicable to the Authority with respect to the operation of the Premises) and shall control the Premises so as to prevent or deter unauthorized persons from obtaining

access to that portion of the Airport consisting of cargo areas, airside buildings, aircraft aprons, ramps, taxiways and runways (the "Air Operations Area"). Any fines or other penalties incurred by the Authority as a result of Lessee's breach of this Paragraph shall be included in the indemnification provided to Authority pursuant to Paragraph 8.1 of the Lease.

Compliance with Stormwater Regulations.

Lessee acknowledges that the Airport is subject to federal stormwater regulations, 40 C.F.R. Part 122 (the "Regulations"), which are applicable to, among other activities, (i) certain industrial activity, including, without limitation, the operation of a vehicle maintenance shop (including vehicle rehabilitation, mechanical repairs, painting, fueling, and lubrication), equipment cleaning operations and deicing operations and (ii) certain construction activity at the Airport. Lessee also acknowledges that it is familiar with the Regulations and agrees to comply with the Regulations as they may be amended from time to time. Lessee further acknowledges that it has been advised that the Authority has complied with the Regulations by obtaining coverage under the Environmental Protection Agency's Stormwater Multi-Sector General Permit for Industrial Activities (the "Multi-Sector Permit"). Lessee may be able to become a co-permittee under such Multi-Sector Permit by filing separately in accordance with the provisions of the Regulations and the Multi-Sector Permit. Lessee shall provide to the Authority's Manager of Environmental Services copies of any such filings and such other information as the Chief Executive Officer may reasonably request with respect to Lessee's compliance with the Regulations. Lessee agrees to comply with such Multi-Sector Permit or any other permit obtained by Authority or Lessee in connection with the Regulations as they pertain to the Premises, and any modifications to or renewals thereof. Such permit will not cover construction activities as defined by the Regulations and will not eliminate the need to obtain permits from state or local agencies as applicable laws, ordinances or regulations may require.

If Lessee, or its authorized agents or representatives, engages in construction activity at the Airport, including, without limitation, clearing, grading, or excavation, Lessee shall determine whether the Regulations require a permit, and if so, Lessee shall obtain the permit, send a copy of the permit to the attention of the Authority's Chief Executive Officer, and comply with the permit conditions.

Americans with Disabilities Act. As used herein, "ADA" shall mean the Americans with Disabilities Act, P.L. 101-336, 104 Stat. 327 (1990), as amended from time to time, and the regulations promulgated thereunder. Lessee shall be responsible for any actions required to comply with ADA (including, without limitation, any actions required by the Authority to enable the Authority to meet its ADA obligations with respect to Lessee's operations) as a result of (i) any Improvements or modifications which it makes to the Premises, (ii) its particular use of the Premises and (iii) any changes to the ADA after the Effective Date. Any modification to the Premises, which Lessee is required to make under this Paragraph, shall be performed to the satisfaction of the Authority. In the event the Lessee shall fail to construct or modify any Improvements to the Premises as required under this Paragraph, the Authority shall have the right to enter the Premises and perform such modifications on the Lessee's behalf, without liability for any disruption to the Lessee's activities therein during the completion of or as a result of such modifications, and the cost of such modifications shall be invoiced to the Lessee and shall be promptly paid by the Lessee to the Authority as additional Rent hereunder.

Force Majeure. If either party hereto shall fail to timely perform any of its obligations under this Lease as a result of strikes, lockouts or labor disputes, inability to obtain labor or materials, government restrictions, fire or other casualty, adverse weather conditions not reasonably foreseeable at the location and time of year in question, by reason of war or other national emergency, acts of God or other causes beyond the reasonable control of the party obligated to perform, then such failure shall be excused and not constitute a default under this Lease by the party in question, but only to the extent and for the time occasioned by such event. In the event the rights and privileges hereunder are suspended, Annual Rent and Rent under this Lease shall not abate, and Lessee shall have the right to make any claim against any third party permitted by law and to receive any award paid with respect to such claim. In no event shall this provision excuse any failure by Lessee to pay Annual Rent or Rent or any other payment obligation hereunder. Nor shall this provision apply to any inability by Lessee to procure funds or obtain financing necessary to comply with Lessee's obligations under this Lease. In the event that the airport is closed for a period greater than ninety (90) consecutive days by reason of war or other national emergency, the Authority will assist Lessee, as allowable by applicable law, in obtaining compensation for the unamortized portion of any Improvements constructed by Lessee on the Premises from the authority taking such action. However, in no case shall the Authority be liable for any damages arising out of such an event.

Subordination.

This Agreement shall be subject to all restrictions of record affecting the Airport and the use thereof, all federal, state, county and city laws and regulations affecting the same, and shall be subject and subordinate to the provisions of any and all existing agreements between the Authority and third parties, including, but not limited to, those between the Authority and the United States of America, the State of Florida, or the County of Brevard, or their agencies, and to any future agreements between or among the foregoing relative to the operation or maintenance of the Airport, the execution of which may be required as a condition precedent to the expenditure of federal, state, county or city funds for the development of the Airport, or any part

thereof. All provisions hereof shall be subordinate to the right of the United States to occupy or use the Airport, or any part thereof, during time of war or national emergency.

In the event the Federal Aviation Administration or its successors require modifications or changes in this Agreement as a condition precedent to the granting of its approval or to the obtaining of funds for the improvement of the Airport, Lessee hereby consents to any and all such modifications and changes as may be reasonably required.

Notwithstanding the foregoing provisions of this Paragraph, in the event any such restrictions, agreements or modifications to this Lease increase the Annual Rent payable hereunder or materially and adversely affect the ability of Lessee to use the Premises for the purposes permitted under this Lease, Lessee shall have the right to terminate this Lease by written notice to the Authority.

Public Entity Crimes Law. The Lessee acknowledges the following notice:

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of \$25,000 for a period of 36 months from the date of being placed on the convicted vendor list.

Tax Exempt Status of Authority Revenue Bonds. Lessee agrees to comply promptly with any applicable provisions of any federal tax statute, and all regulations or other binding authority promulgated or decided thereunder, as required to permit the Authority's capital expansion projects to be planned and constructed by Authority with revenue bonds the interest on which is generally exempted from federal income taxation, other than any applicable individual or corporate alternative minimum taxes (and other than during any period while such revenue bonds are held by a "substantial user" of the projects financed by those revenue bonds or a "related person" to a "substantial user"), including, without limitation, the execution by Lessee and delivery to Authority of an election not to claim depreciation or any investment credit with respect to any portion of such capital expansion projects or any other portion of the Airport System in the form attached hereto as Exhibit "F" simultaneously with the execution of this Lease. Such exhibit shall be deemed to be part of this Lease and shall be binding upon Lessee, its successors and assigns.

Visual Arts. Lessee shall not permit a work of visual art, as defined in 17 USC § 101, to be installed in the Premises without providing Authority with a written waiver, in form acceptable to the Authority, of the artist's rights under the Visual Artists Rights Act of 1990, Pub. L. 101-650, and without obtaining the Authority's prior written approval.

WHEREAS, Principal executed Lease Agreement on _____, 20____ for property at Space Coast Regional Airport, which is incorporated herein by reference, made a part hereof, and is hereinafter referred to as the Agreement, and

WHEREAS, Principal has by written agreement dated _____, entered into a contract, hereinafter referred to as the Contract, with _____, hereinafter referred to as Contractor, for the construction at the Airport as described in the Agreement; and

WHEREAS, under the terms of the Agreement, Principal is required to indemnify and hold harmless Authority from and against any and all claims of claimants, as defined in Sections 255.05(1) and 713.01(10), Florida Statutes, for installations and improvements at the Authority as described in the Agreement, and is also required to provide a bond protecting the rights of such claimants to payment for services, labor, materials or supplies used directly or indirectly in the prosecution of the installations and improvements at the Authority as described in the Agreement; and

WHEREAS, Surety is authorized to do business in the State of Florida;

NOW, THEREFORE, the condition of this obligation is such that if Principal shall promptly make payments to all claimants as defined in Sections 255.05(1) and 713.01(16), Florida Statutes, supplying Principal and/or Contractor with services, labor, materials, or supplies, used directly or indirectly by Principal and/or Contractor in the prosecution of the improvements and installations at the Authority as provided for in the Agreement and the Contract, then this obligation shall be void; otherwise, it shall remain in full force and effect, subject, however, to the following conditions:

1. This bond is furnished for the purpose of complying with the requirements of Section 255.05, Florida Statutes, to the extent applicable; and for the purpose of exempting any legal or equitable interest in real property owned by Authority or the Principal from liens, and complying with the requirements of Section 713.23, Florida Statutes, to the extent applicable.

This paragraph shall survive the termination or cancellation of this Performance Bond. The obligations set forth in this paragraph shall not be limited by the Penal Sum of this Bond.
